This Form 8-K/A amends the Form 8-K filed on May 11, 2007, only with respect to the information set forth below.

Item 2.02 Results of Operations and Financial Condition

On May 10, 2007, Mesa Air Group, Inc. (the "Company") issued a press release announcing its financial results for the second quarter of 2007. Earnings per share for the three and six months ended March 31, 2007 were reported as a \$0.54 and \$0.32 loss per share, respectively, on a diluted basis. However, due to a calculation error involving the inclusion of certain issued options and convertible debt whose effect on the calculation of diluted earnings per share was anti-dilutive, earnings per share for the three and six months ended March 31, 2007 were actually a \$0.75 and \$0.49 loss per share, respectively, on a diluted basis. For both the three and six months ended March 31, 2007, earnings per share on a diluted basis was the same as on a basic basis. The Quarterly Report on Form 10-Q for the quarter ended March 31, 2007, filed with the Securities and Exchange Commission on May 15, 2007, contained the corrected amounts.

SIGNATURES
