PROXY STATEMENT

The Board of Directors of MESA AIR GROUP, INC., a Nevada corporation (the “Company”), is soliciting proxies to be used at the 2008 annual meeting of shareholders of the Company to be held on April 17, 2008, at 10:00 a.m., Arizona time, at the Company’s offices, 410 N. 44th Street, Suite 160, Phoenix, Arizona 85008, and any adjournment(s) or postponement(s) thereof (the “Annual Meeting”). This proxy statement and the enclosed form of proxy will be mailed to shareholders beginning March 14, 2008.

Who Can Vote

Shareholders of record as of the close of business on March 3, 2008 (the “Record Date”), may vote at the Annual Meeting and at any adjournment or postponement of the meeting. Each shareholder has one vote for each share of Common Stock held of record on the Record Date. On the Record Date, 26,879,889 shares of the Company’s common stock, no par value per share (the “Common Stock”), were issued and outstanding.

How You Can Vote

All valid proxies received by the Secretary of the Company before the Annual Meeting and not revoked will be exercised. All shares represented by proxy will be voted, and where a shareholder specifies by means of his or her proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made. If you do not specify on your proxy how you want to vote your shares and authority to vote is not specifically withheld, we will vote your shares as follows: (i) “for” the election of the persons named in the proxy to serve as directors; (ii) “for” the ratification of Deloitte & Touche LLP (“Deloitte & Touche”) as the independent registered public accountants of the Company; and (iii) to transact such other business as may properly come before the meeting or any postponement(s) or adjournment(s) thereof. Shareholders who hold their shares in “street name” (i.e., in the name of a bank, broker or other record holder) must vote their shares in the manner prescribed by their brokers. If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

How You Can Revoke Your Proxy

You can revoke your proxy at any time before it is exercised in one of three ways:

- (1) by delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy.
- (2) by duly executing and delivering to the Secretary of the Company a subsequent proxy relating to the same shares.
- (3) by attending the meeting and voting in person, provided that the shareholder notifies the Secretary at the meeting of his or her intention to vote in person at any time prior to the voting of the proxy.

Required Votes

- *Election of Directors.* The eight (8) nominees for director receiving the highest number of votes FOR election will be elected as directors. This is called a plurality. Abstentions are not counted for purposes of electing directors. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Banks and brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. Shares that are not voted will have no effect on the results of this vote.
 - *Ratification of Deloitte & Touche LLP as our Independent Registered Public Accounting Firm.* The affirmative vote of a majority of shares present in person or represented by proxy is required to ratify
-

Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2008. Abstentions are counted as “shares present” at the meeting for purposes of determining if a quorum exists. Abstentions and unvoted shares will have the effect of votes against this proposal. Banks and brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. We are not required to obtain the approval of our shareholders to select our independent registered public accounting firm. However, if our shareholders do not ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2008, the Audit Committee of our Board of Directors will reconsider its selection.

Dissenter’s Rights or Appraisal

Pursuant to applicable Nevada law, there are no dissenter’s or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Other Matters to Be Acted Upon at the Meeting

We do not know of any matters other than the election of directors and the ratification of independent registered public accountants that are expected to be presented for consideration at the Annual Meeting. If any other matters are properly presented at the meeting, the shares represented by proxies will be voted in accordance with the judgment of the persons voting those shares.

Solicitation

The cost of soliciting proxies, including the cost of preparing and mailing the Notice and Proxy Statement, will be paid by the Company. Solicitation will be primarily by mailing this Proxy Statement to all shareholders entitled to vote at the meeting. Proxies may also be solicited by officers and directors of the Company personally or by telephone or facsimile, without additional compensation. The Company may reimburse brokers, banks and others holding shares in their names for others for the cost of forwarding proxy materials and obtaining proxies from beneficial owners.

Communications with the Board of Directors

Shareholders may communicate with any and all members of our Board of Directors by transmitting correspondence by mail or facsimile addressed to one or more directors by name or, for a communication to the entire board, to the Chairman of the Board at the following address and fax number: Mesa Air Group, Inc., c/o Corporate Secretary, 410 North 44th Street, Suite 100, Phoenix, Arizona 85008; facsimile: (602) 685-4352.

Communications from our shareholders to one or more directors will be collected and organized by our Corporate Secretary. The Corporate Secretary will forward all communications to the Chairman of the Board or to the identified director(s) as soon as practicable, although communications that are abusive, in bad taste or that present safety or security concerns may be handled differently. If multiple communications are received on a similar topic, the Corporate Secretary may, in his discretion, forward only representative correspondence.

The Chairman of the Board will determine whether any communication addressed to the entire Board of Directors should be properly addressed by the entire Board of Directors or a committee thereof. If a communication is sent to the Board of Directors or a committee, the Chairman of the Board or the chairman of that committee, as the case may be, will determine whether a response to the communication is warranted. If it is determined that a response to the communication is warranted, the content and method of the response may be coordinated with our counsel.

**ELECTION OF DIRECTORS

The Board has nominated each of these current directors as nominees for election as directors in the election to be held at the Annual Meeting. The Board intends to vote its proxies for the election of its nominees, for a term to expire at the Company's 2009 Annual Meeting.

If unforeseen circumstances make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares "for" that other person, or, if no substitute is selected by the Board prior to or at the Annual Meeting, for a motion to reduce the present membership of the Board to the number of nominees available. We know of no reason why any nominee would be unable or unwilling to accept nomination or election. The information concerning the nominees and their share holdings in the Company has been furnished by the nominees to the Company.

MAURICE A. PARKER AND RICHARD R. THAYER AS DIRECTORS FOR

CORPORATE GOVERNANCE

The Board of Directors is responsible for providing oversight of the affairs of the Company for the benefit of stockholders. The Board of Directors has adopted Corporate Governance Guidelines, charters for its Audit, Compensation, Nominating/Corporate Governance and Code of Conduct and Ethics for directors, officers and employees of Mesa Air Group, Inc., its subsidiaries and affiliated companies. You can obtain copies of our current committee charters, codes and policies in the "Corporate Governance" section of our website (www.mesa-air.com) or by writing to our Corporate Secretary at 410 North 44th Street, Suite 100, Phoenix, Arizona 85008. Any substantive amendment to, or waiver from, any provision of the Code of Conduct and Ethics with respect to any director or executive officer will be posted on our website.

Director Selection Criteria. The Nominating/Corporate Governance Committee of the Board (the "Nominating/Corporate Governance Committee") recommends nominees for director whose background, knowledge, experience, expertise and perspective will complement the qualifications of other directors and strengthen the Board. The criteria considered by such Committee is discussed in more detail below.

Director Independence. Each year, the Board reviews the relationships that each director has with the Company. For purposes of making director independence determinations, the Board utilizes the director independence standards set forth in the NASDAQ Marketplace Rules. Only those directors who the Board affirmatively determines have no material relationship with the company, and who do not have any of the categorical relationships that prevent independence under the NASDAQ Marketplace Rules, are considered to be independent directors.

The Board has determined that all of the directors, excluding Messrs. Ornstein and Parker (who are considered employees of the Company) have no material relationships with the Company and qualify as independent directors. The Board concluded that none of these directors possessed the categorical relationships set forth in the NASDAQ Marketplace Rules that prevent independence and had no other business or other relationships with the Company relevant to a determination of their independence.

The Board committees currently consist only of directors who are not employees of the Company and who are "independent" within the meaning of the NASDAQ Marketplace Rules. The members of our Audit Committee also meet the additional NASDAQ and SEC independence and experience requirements applicable specifically to members of the Audit Committee.

Recommendation of Candidates for Director by Stockholders; Direct Nominations by Stockholders. The Nominating/Corporate Governance Committee will consider, but is not required to approve, recommendations from stockholders concerning the nomination of directors. Recommendations should be submitted in writing to the Corporate Secretary of the Company and state the stockholder's name and address, the name and address of the candidate, and the qualifications of and other detailed background information regarding the candidate. Recommendations must be received not later than 120 calendar days preceding the date of release of the prior year's proxy statement. The Nominating/Corporate Governance Committee intends to evaluate candidates recommended by stockholders in the same manner that it evaluates other candidates. The Company has not received any stockholder recommendations of director candidates with regard to the election of directors covered by this proxy statement or otherwise.

Board Meetings. The Board held nine meetings during the 2007 fiscal year. No director attended less than 75% of the Board meetings while serving as such director, or less than 75% of all committee meetings on which he served as a committee member.

Table of Contents

Meeting Attendance. The Company does not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of shareholders, but strongly encourages directors to attend. All members of the Board of Directors attended the 2007 annual meeting of shareholders.

At various times throughout the year non-management directors hold meetings without the presence of management personnel. The Lead Director, Daniel J. Altobello, chairs these meetings.

Board Committees. The Audit, Nominating/Corporate Governance and Compensation committees are the standing committees of the Board. The fiscal year 2007 committees were comprised as follows:

<u>Audit</u>	<u>Nominating/Corporate Governance</u>	<u>Compensation</u>
Richard R. Thayer*	Robert Beleson*	Peter F. Nostrand*
Peter F. Nostrand	Richard R. Thayer	Daniel J. Altobello
Robert Beleson	Joseph L. Manson	Carlos E. Bonilla
	Daniel J. Altobello, ex-officio	

* Chairman

Audit Committee. The Audit Committee of the Board (the "Audit Committee") held eight meetings during fiscal 2007. The main function of our Audit Committee, which has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is to oversee our accounting and financial reporting processes, internal systems of control, independent auditor relationships and the audits of our financial statements. This committee's responsibilities include:

- Selecting and hiring our independent auditors;
- Evaluating the qualifications, independence and performance of our independent auditors;
- Approving the audit and non-audit services to be performed by our independent auditors;
- Reviewing the design, implementation, adequacy and effectiveness of our internal controls and our critical accounting policies;
- Overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- Reviewing with management any earnings announcements and other public announcements regarding our results of operations;
- Reviewing regulatory filings with management and our auditors; and
- Preparing any report the Securities and Exchange Commission ("SEC") requires for inclusion in our annual proxy statement.

The Audit Committee acts under a written charter adopted and approved by the Board in May 2000. The Audit Committee Charter was amended in April 2002, July 2004 and November 2006. The revised charter is attached as Exhibit A to this Proxy Statement. The Audit Committee is composed of outside directors who are not officers or employees of the Company or its subsidiaries. In the opinion of the Board and as "independent" is defined under current standards of NASDAQ (including the heightened independence requirements of audit committee members), these directors are independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of this committee. Additionally, the Board has determined that Peter F. Nostrand and Richard R. Thayer, each of the Audit Committee, is an "audit committee financial expert," as such term is defined in Item 407(d)(5)(ii) of Regulation S-K. Messrs. Thayer's and Nostrand's relevant experience is included in the biographical information set forth above.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee held three meetings in fiscal 2007. The Nominating/Corporate Governance Committee Charter was adopted in August 2004 and amended in July 2005 and November 2006. The revised charter is attached as Exhibit B to this Proxy Statement. The Nominating/Corporate Governance Committee is responsible for identifying and nominating

individuals qualified to serve on the Board and the Committees of the Board, as well as reviewing the effective corporate governance policies and procedures and recommending any applicable modifications thereto.

In evaluating the suitability of potential nominees for membership on the Board, the Nominating/Corporate Governance Committee will consider the criteria discussed above, as well as the Board's current composition, including expertise, diversity, and balance of inside, outside and independent directors, and the general qualifications of the potential nominees, such as:

- Unquestionable integrity and honesty;
- The ability to exercise sound, mature and independent business judgment in the best interests of the shareholders as a whole;
- Recognized leadership in business or professional activity;
- A background and experience that will complement the talents of the other Board members;
- Willingness and capability to take the time to actively participate in Board and Committee meetings and related activities;
- Ability to work professionally and effectively with other Board members and the Company's management;
- An age to enable the Director to remain on the Board long enough to make an effective contribution; and
- Lack of realistic possibilities of conflict of interest or legal prohibition.

The Committee will also see that all necessary and appropriate inquiries are made into the backgrounds of such candidates. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating/Corporate Governance Committee may also consider such other factors as it may deem to be in the best interests of the Company and its stockholders.

In obtaining the names of possible new nominees, the Committee may make its own inquiries and will receive suggestions from other Directors, stockholders and other sources. All potential nominees must first be considered by the Committee before being contacted as possible nominees and before having their names formally considered by the full Board.

Compensation Committee. The Compensation Committee of the Board (the "Compensation Committee") operates under a charter adopted in February 2004 and amended in November 2006 and held five meetings during the 2007 fiscal year. The revised charter is attached as Exhibit C to this Proxy Statement. The Compensation Committee assists the Board of Directors with its overall responsibility relating to compensation and management development, including recommending to the Board of Directors for approval the compensation of our Chief Executive Officer, approval of compensation for our other executive officers, administration of our equity-based compensation plans and oversight of our executive development programs. The report of the Compensation Committee appears on page 14 of this Proxy Statement. It is expected that all current committee members will be nominated for re-election to such committees at a Board meeting to be held immediately following the Annual Meeting.

Communication with Directors. Stockholders may communicate with the Board of Directors by writing to the Board of Directors in care of the Corporate Secretary of the Company (or, at the stockholder's option, to a specific director) as follows: Board of Directors, c/o Corporate Secretary, Mesa Air Group, Inc., 410 North 44th Street, Phoenix, Arizona 85008. The Corporate Secretary will ensure that these communications (assuming they are properly marked to the Board of Directors or to a specific director) are delivered to the Board of Directors or the specified director, as the case may be.

REPORT OF AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the internal control, accounting, auditing and financial reporting practices of the Company.

The Committee regularly meets with management to consider the adequacy of the Company's internal controls and the integrity of its financial reporting. The Committee discusses these matters with the Company's independent registered public accountants and with appropriate Company financial personnel and internal auditors.

Table of Contents

The Committee regularly meets privately with management, the independent registered public accountants and the internal auditors. The independent registered public accountants have unrestricted access to the Committee.

The Committee retains and, if circumstances warrant, replaces the independent registered public accountants and regularly reviews their performance and independence from management. The Committee also pre-approves all audit and permitted non-audit services and related fees.

The Board of Directors has determined that none of the directors serving on the Committee has a relationship with the Company that may interfere with their independence from the Company and its management. As a result, each director who serves on the Committee is “independent” as required by NASDAQ listing standards (including the heightened independence requirements of audit committee members) and Section 10A of the Exchange Act.

The Board of Directors has adopted a written charter setting out the roles and responsibilities the Committee is to perform. The Board has determined that Peter F. Nostrand and Richard R. Thayer, each of the Audit Committee, is an “audit committee financial expert,” as such term is defined in Item 407(d)(5)(ii) of Regulation S-K.

Management has primary responsibility for the Company’s financial statements and the overall reporting process, including the Company’s system of internal controls.

Review of Audited Financial Statements

The Audit Committee has reviewed the Company’s financial statements for the fiscal year ended September 30, 2007, as audited by Deloitte & Touche LLP, the Company’s independent registered public accountants, and has discussed these financial statements with management. In addition, the Audit Committee has:

- Discussed with Deloitte & Touche LLP the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (Codification of Statements on Auditing Standards, AU 380), as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.
- Received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, “Independence Discussions with Audit Committees”), as adopted by the PCAOB in Rule 3600T, and has discussed with Deloitte & Touche LLP its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements for the fiscal year ended September 30, 2007 be included in the Company’s Annual Report on Form 10-K, for filing with the Securities and Exchange Commission.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not assure that the audit of the Company’s financial statements has been carried out in accordance with accepted auditing standards of the Public Company Accounting Oversight Board, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America and that the Company’s independent registered public accountants are in fact “independent.”

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS
(PROPOSAL NO. 2)**

Deloitte & Touche LLP has been selected as the Company's independent registered public accountants for the fiscal year ending September 30, 2008. Shareholder ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accountants is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of Deloitte & Touche LLP for shareholder ratification as a matter of good corporate practice. Deloitte & Touche LLP has audited the Company's financial statements since 2000. Notwithstanding the selection, the Board, in its discretion, may direct appointment of a new independent accounting firm at any time during the year if the Board feels that such a change would be in the best interests of the Company and its shareholders. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she so desires and to be available to respond to appropriate questions.

Ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for fiscal year 2008 will require the affirmative vote of the holders of at least a majority of the outstanding Common Stock represented in person or by proxy at the Annual Meeting. All of the directors and executive officers of the Company have advised the Company that they will vote their shares of Common Stock "FOR" the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants for fiscal year 2008. If the holders of at least a majority of the outstanding Common Stock fail to ratify the appointment of Deloitte & Touche LLP as the Company's independent registered public accountants, the Audit Committee will consider such failure at a subsequent meeting of the Audit Committee and determine, in its discretion, what actions it should take, if any.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU
VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF
DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT
REGISTERED PUBLIC ACCOUNTANTS FOR FISCAL YEAR 2008.**

DISCLOSURE OF AUDIT AND NON-AUDIT FEES**Pre-approval Policy**

In August 2003, the Audit Committee adopted a Pre-approval Policy ("Policy") governing the approval of all audit and non-audit services performed by the independent registered public accountants in order to ensure that the performance of such services does not impair the independent registered public accountants.

According to the Policy, the Audit Committee will review and pre-approve the services and fees that may be provided by the independent registered public accountants. The Policy specifically describes the services and fees related to the annual audit, other services that are audit-related, preparation of tax returns and tax related compliance services and all other services that have the pre-approval of the Audit Committee.

Any service to be provided by the independent registered public accountants that has not received general pre-approval under the Policy is required to be submitted to the Audit Committee for approval prior to the commencement of a substantial portion of the engagement. Any proposed service exceeding pre-approved cost levels is also required to be submitted to the Audit Committee for specific approval.

The Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accountant to management.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires the Company's directors and executive officers, as well as persons beneficially owning more than 10% of the outstanding Common Stock, to file certain reports of ownership with the SEC within specified time periods. Such officers, directors and shareholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of such forms received by it, or written representations from certain reporting persons, the Company believes that between October 1, 2006 and September 30, 2007, all Section 16(a) filing requirements applicable to its officers, directors and 10% shareholders were met.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

COMPENSATION DISCUSSION & ANALYSIS

The following paragraphs describe the material elements of the Company's compensation objectives and policies and the application of these objectives and policies to the Company's executive officers, particularly the individuals named in the Summary Compensation Table on page 22 of this proxy statement. The rules regarding disclosure of executive compensation in proxy statements were modified significantly in 2006. This is our first proxy statement to which the new rules apply. Accordingly, the information in this proxy statement is not directly comparable to the information disclosed in prior years.

The following discussion and analysis should be read in conjunction with the "Summary Compensation Table" and related tables that are presented in this proxy statement.

Executive Summary

The purpose of this compensation discussion and analysis is to provide information about each material element of compensation that we pay or award to, or that is earned by, our named executive officers. For our 2007 fiscal year, our named executive officers were:

- Jonathan G. Ornstein, our Chairman and Chief Executive Officer;
- Michael J. Lotz, our President and Chief Operating Officer and Chief Accounting Officer;
- Michael Ferwerda, our Senior Vice President — Operations;
- William Hoke, our interim Chief Financial Officer; and
- Brian S. Gillman, our Executive Vice President and General Counsel.

George Murnane III, our former Executive Vice President and Chief Financial Officer is also a named executive officer in this proxy statement because he was employed by the Company in fiscal 2007 and, therefore, disclosure regarding his compensation is required under SEC regulations. On September 21, 2007, Mr. Murnane was placed on administrative leave. Mr. Murnane's employment was terminated on November 5, 2007. William Hoke performed Mr. Murnane's duties while he was on administrative leave and was appointed interim Chief Financial Officer effective with Mr. Murnane's termination.

The following discussion and analysis addresses and explains the numerical and related information contained in the summary compensation tables and includes actions regarding executive compensation that occurred after the end of our 2007 fiscal year, including the award of bonuses related to 2007 performance, and the approval by our Compensation Committee of amendments to the employment agreements to which some of our named executive officers are a party.

Executive Compensation Philosophy and Objectives

The Company's executive compensation policies, as endorsed by the Compensation Committee, have been designed to provide a balanced compensation program that will assist the Company in its efforts to attract, motivate and retain talented executives who the Compensation Committee and senior management believe are important to the long-term financial success and growth of the Company. The Company seeks to provide a balanced compensation program consisting of base salaries, cash incentives, equity-based incentives, perquisites and deferred compensation, but to emphasize incentive compensation that will:

- be competitive in the marketplace;
- permit us to attract and retain highly qualified executives;
- encourage extraordinary effort on behalf of the Company;
- reward the achievement of specific financial goals by the Company, which aligns the interests of management with the interests of our stockholders; and
- be financially sound.

The Company strives to allocate a significant percentage of total compensation to incentive compensation. The more responsibility executives have over time, the more their pay is determined by the degree to which certain performance goals are reached. We refer to that part of compensation as “at risk” pay and it is a fundamental way in which the Company aligns executive pay with stockholder interests. For example, as described in greater detail below, for our senior executive officers cash incentive bonuses can equal a significant percentage of base salary if maximum performance thresholds are achieved.

This compensation philosophy translates into the following two principles in our executive compensation design:

1. Base salary should decrease as a percentage of total direct compensation as the executive’s responsibilities increase.

As employees move to higher levels of responsibility with more direct influence over the Company’s performance, they have a higher percentage of pay at risk.

2. The ratio of long-term incentive compensation (equity) to short-term incentive compensation (cash) should increase as the executive’s responsibilities increase.

We expect our executives to focus on the Company’s long-term success in achieving profitable growth and generating greater shareholder return. The compensation program is designed to motivate executives to take actions best aligned toward achieving such goals. Executives in positions that most directly affect corporate performance should have as their main priority profitably growing the Company. Receiving part of their compensation in the form of equity reinforces the link between their actions and shareholders’ investment. Equity ownership encourages executives to behave like owners and provides a clear link with shareholders’ interests.

The Company believes that its compensation policies have been, thus far, successful in motivating and retaining its executive officers, as evidenced by the limited turnover in its executive officer ranks in recent years.

Role of the Compensation Committee and Management in Setting Compensation

Role of the Compensation Committee.

The Compensation Committee primarily administers the Company’s cash compensation plans and employee stock option and award plans, and it has the responsibility for recommending the allocation of cash and other compensation, as well as equity awards and discretionary bonuses to senior executive officers of the Company. The entire Board of Directors regularly reviews the Compensation Committee decisions relating to executive compensation. The Compensation Committee consists of three non-employee directors, Messrs. Altobello, Bonilla and Nostrand, all of whom are “independent” according to NASDAQ standards and “disinterested” as required by Rule 16b-3 of the Exchange Act.

Role of Management.

At the beginning of each fiscal year, our CEO evaluates the performance of our President; and the CEO and President evaluate the performance of the other executive officers against the strategic operating plan for the prior fiscal year. In addition, the CEO’s and the President’s evaluations of individual performance also focus on executive officers’ leadership abilities, including their professional development and mentoring of their direct reports. This additional evaluation is carried out by evaluating, on a quarterly basis, each executive officer’s performance against a set of performance factors mutually set and agreed upon by the executive officer and the CEO or President, as the case may be.

The CEO and President then develop compensation recommendations for the other executive officers. Factors that are weighted in making individual target compensation recommendations include:

- the performance review conducted by the CEO and/or the President;
- value of the job in the marketplace;
- relative importance of the position within the Company;

- individual tenure and experience; and
- individual contributions to the Company's results.

The CEO or President review of an executive officer's performance with respect to his or her performance factors is not directly tied to the executive officer's compensation. Such reviews, however, heavily influence the CEO's and/or President's assessment of an executive officer's readiness for the types of responsibilities typically associated with a particular position. Once an executive officer's role and responsibilities are defined, "value of the job in the marketplace" and "relative importance of the position within the executive ranks" are the most determinative factors in setting the proper compensation plan for that executive officer, adjusted to take into consideration the executive officer's tenure and experience.

At the Committee's regularly scheduled meeting in November, the Committee reviews and considers the CEO and President's compensation recommendations for each executive officer. The other executive officers, except as described above, do not play a role in setting executive officer compensation.

Compensation Methodologies; Role of Consultants and Benchmarking

The Compensation Committee periodically assembles, with the assistance of independent executive compensation consultants, competitive market information about executive compensation from a periodic review of companies included in a peer group, other competitive market compensation information, executive compensation trends, our business needs, and our financial performance compared to peers. The Committee reviews this competitive information together with performance assessments of our executives and recommendations provided by the CEO and President. The Committee obtained such information from Frederick W. Cooke & Co. ("FWC") in April 2004 and utilized such information in setting the compensation for Messrs. Ornstein and Lotz when the Company entered into their respective employment agreements.

Generally, the Committee's goal is to set executive officers' compensation levels to fall within the median to upper quintiles of surveyed companies, with guaranteed salary levels to remain reasonably consistent with median to upper quintile rates. For fiscal 2007, based on Company performance, total compensation for all of the named executive officers was at or above the market median.

In determining what it believes to be market median for executive positions, the Committee obtained information from FWC regarding competitive market compensation data available from the proxy statements of peer group companies selected by the Committee. The peer group utilized for setting the compensation for Messrs. Ornstein and Lotz in their 2004 employment agreements consisted of publicly traded regional and national air carriers that are headquartered in the United States with whom the Company competes for employees with similar skills.

Our management worked with FWC to make specific recommendations to the Committee with regard to compensation based upon the market data and management's assessment of the performance of each individual executive officer (other than the CEO). For the CEO, the Committee conducts the performance assessment. Compensation amounts realized from past years and prior year equity awards are generally not considered in the current year's determination of each individual's compensation package. The impact of tax or accounting treatments for particular forms of compensation also are generally not considered, except to the extent they reflect industry norms.

The Compensation Committee reviews and approves on an annual basis the evaluation process and compensation structure for the Company's senior officers. The Committee evaluates, with the CEO's and President's input, the Company's other executive officers and approves the annual compensation, including salary, bonus, incentive and equity compensation, for such officers. The Committee also provides oversight of management's decisions concerning performance and compensation of other Company officers. The Committee generally meets in the first quarter of each year to review and recommend changes to annual and incentive compensation.

Compensation Program Design and Elements of Compensation

The principal components of compensation for our named executive officers are:

- base salary and benefits;
- short-term cash incentive compensation;
- long-term equity-based compensation;
- perquisites;
- severance and change in control plans; and
- retirement benefits in the form of deferred compensation.

Base Salary and Benefits

Base salary and broad-based benefits, which are not at risk, are designed to attract and retain executives by providing fixed compensation based on competitive market practice, relative to the skills, experience and expected contributions of each executive officer of the Company.

Base salaries for Messrs. Ornstein, Lotz and Gillman are set in their respective employment agreements, which are described below in the “Employment and Change of Control Arrangements” section. The base salaries for Messrs. Ferverda and Hoke were set based on a review of comparative market information for similar situated positions in the airline industry, and Mr. Murnane’s base salary was set forth in an employment agreement. Our Compensation Committee reviews base salaries annually and targets base pay for executive officers at the median to upper quintiles of the comparison groups and adjusts, as appropriate, for tenure, performance and variations in actual position responsibilities from position descriptions in the comparison groups. We took into account compensation levels payable to executives in our industry and reviewed executive compensation information with regard to comparably-sized companies. We further considered the increasingly active market (and correspondingly increased cash and equity compensation levels) for executives with established track records, and potential costs to the Company if replacement management executives were required. We also took into account information concerning employment opportunities with third parties available to our named executive officers, and the importance of retaining their services in areas such as operational leadership and continuing interactions with stakeholders. We continue to consider market conditions with respect to the compensation of all of our executives.

The approved 2007 base salaries, as compared to 2006 salaries, include the following for the named executive officers:

- Jonathan G. Ornstein, Chairman and Chief Executive Officer — \$450,000 (2006 — \$450,000);
- Michael J. Lotz, President and Chief Operating Officer — \$400,000 (2006 — \$400,000);
- Brian S. Gillman, our Senior Vice President and General Counsel — \$160,000 (2006 — \$150,000)
- Michael Ferverda, our Senior Vice President — Operations — \$100,000 (2006 — \$99,808); and
- William Hoke, our interim Chief Financial Officer — \$140,000 (2006 — Mr. Hoke commenced employment in March 2007).

Mr. Murnane, our former Executive Vice President and Chief Financial Officer, received a base salary of \$250,000 in 2007, as compared to a base salary of \$237,308 in 2006.

Our named executive officers are also eligible to participate in employee benefit plans generally available to our employees, including medical, health, life insurance and disability plans. Our named executive officers are also eligible to participate in the Company’s 401(k) plan, and receive Company matching contributions, which are generally available to our employees. Information concerning perquisites, which, by definition, are not generally available to our employees are described in greater detail below.

Short-Term Cash Incentive Compensation

The Compensation Committee views cash incentive compensation as a means of closely tying a significant portion of the total potential annual cash compensation for executives to the financial performance of the Company. Our cash incentive compensation plans are designed to reward individuals for the achievement of certain defined financial objectives of the Company, namely earnings per share growth.

Incentive bonuses for Messrs. Ornstein and Lotz, and formerly Mr. Murnane, which are set forth in their respective employment agreements, are payable quarterly and set at a prescribed percentage of base salary, based upon the year over year percentage growth in earnings per share ("EPS") of the Company. EPS was selected to align incentive compensation with corporate EPS goals and because the Compensation Committee believes investors may focus on EPS growth when valuing the Company's common stock. Under the employment agreements, earnings per share is defined as gross profit (loss) before taxes and one-time non-recurring items, divided by basic outstanding shares. The following table summarizes incentive bonuses that were potentially payable to each of Messrs. Ornstein, Lotz and Murnane in fiscal 2007.

<u>Name</u>	<u>Bonus Level</u>	<u>% Change EPS</u>	<u>Quarterly Amount</u>	<u>Annual Amount</u>	<u>Actual Amount</u>

	Threshold	5%	\$ 20,000	\$ 80,000	\$ -0-
	Target	10%	\$ 30,000	\$120,000	\$ -0-
	Maximum	15%	\$ 45,000	\$180,000	\$ -0-

In fiscal 2007, our GAAP EPS declined from \$1.01 in fiscal 2006 to \$(2.63), primarily attributable to a non-cash impairment charge recorded during the second quarter of fiscal 2007 totaling approximately \$37.7 million on a pre-tax basis and loss contingency charge of \$86.9 million on a pretax basis during the fourth quarter of fiscal 2007. Notwithstanding this full year decline, our EPS improved in the first quarter of fiscal 2007 over the comparable periods in fiscal 2006. As a result, Messrs. Ornstein, Lotz and Murnane received cash bonuses during fiscal 2007 of \$52,500, \$40,000 and \$30,000, respectively.

Mr. Gillman's employment agreement also provides for an incentive bonus equal to a minimum of 30% of his base salary, payable quarterly, if the Company is profitable. In addition, Mr. Gillman is eligible to receive an additional discretionary cash bonus in the aggregate of 31% to 100% of Mr. Gillman's salary at such time that the Board of Directors grants similar bonuses to other executives of the Company. Mr. Gillman's total compensation, including bonus levels, was set to provide a total compensation package commensurate with similarly situated executives. In fiscal 2007, Mr. Gillman received an incentive bonus of \$91,407 for the same reason described above with respect to Messrs. Ornstein and Lotz.

Mr. Hoke is not a party to an employment agreement with the Company. In accordance with his offer letter, Mr. Hoke is entitled to a guaranteed bonus of \$60,000 and received a signing bonus of \$15,000. In subsequent fiscal years Mr. Hoke will be eligible to receive a bonus of up to \$80,000 based on the profitability of the Company and his individual performance.

Similarly, Mr. Ferverda is not a party to an employment agreement. He is eligible to receive a bonus of up to \$80,000 based on the profitability of the Company and his individual performance.

The Company also, at times, pays discretionary cash bonuses to its named executive officers. In fiscal 2007, the Company did not pay any discretionary cash bonuses to its named executive officers.

Long-Term Equity Based Compensation

The purpose of the Company's long-term incentive compensation plan is to provide a substantial equity incentive for our executive officers to manage the business for the long-term, complementing the annual bonus that rewards performance in a particular year, and to reward them for the performance of the Company and its common shares over multi-year periods. The Committee awards long-term compensation in the form of annual non-qualified stock option grants, and beginning in fiscal year 2006, restricted stock awards (in lieu of option grants). The Company believes granting restricted stock in lieu of stock options results in less dilution to existing shareholders, enables the Company to utilize its existing option plans longer (because the Company grants less restricted shares than options), and more accurately depicts the expense associated with such benefit. The Committee has not established any long-term incentive programs that are settled in cash because the Committee believes that stock settled programs offer better alignment between the interests of our executive officers and our shareholders.

Equity Plans

The Company has two active equity compensation plans — the Key Officer Stock Option Plan and the 2005 Employee Stock Incentive Plan. The Key Officer Stock Option Plan provides for options to be issued to the Chief Executive Officer and President at set dates for prescribed amounts.

The 2005 Employee Stock Incentive Plan permits the issuance of incentive and non-qualified stock options, restricted stock and performance shares, which are performance bonuses payable in either cash or shares. All employees of the Company or its subsidiaries, including the named executive officers, are eligible to participate in the plan, and awards are issued at the discretion of the Compensation Committee upon recommendation by the Chief Executive Officer. Options granted under the 2005 Employee Stock Incentive Plan are issued at the weighted average price of common stock on the date of grant, generally vest at the rate of one-third per year commencing one year after the grant date, have a 10-year term and are subject to standard option provisions, including the requirement of continued employment and provisions to deal with termination of employment due to retirement, death or disability. Shares of restricted stock granted under the plan are issued at the weighted average price of common stock on the date of grant and typically vest in one-third increments over a three-year period.

Equity Awards

Although the employment agreements for Messrs. Ornstein, Lotz, Murnane and Gillman provide for annual option grants, each of these individuals entered into a restricted stock agreement with the Company pursuant to which each agreed to forego their respective option grants in favor of annual restricted stock grants. Messrs. Ornstein, Lotz, Murnane and Gillman are, and Murnane was, entitled to receive an amount of restricted stock equal to the net value of options to which each such person was otherwise entitled. In 2007, Messrs. Ornstein, Lotz, Murnane, and Gillman received 50,000, 33,333, 20,000, and 10,000 shares of restricted stock, respectively. The 20,000 shares of restricted stock granted to Mr. Murnane were cancelled prior to becoming unrestricted shares as a result of his termination on November 5, 2007.

Messrs. Ferverda and Hoke do not have employment agreements with the Company. In 2007, they each received restricted stock grants of 10,000 shares.

Health and Welfare

The Committee has provided named executive officers with the same health and welfare benefits it provides all its other US-based employees; including medical, dental and vision coverage, life and disability insurance, and, as discussed above, a defined contribution plan (401(k)). Messrs. Ornstein, Lotz, and Gillman also have the option to participate in the Company's Deferred Compensation Plan.

Other Compensation Plans and Perquisites

Retirement Plans

The Company provides opportunities for all employees to save for retirement in three benefit plans: a voluntary defined contribution plan (401(k)), an employee stock purchase plan and a deferred compensation plan. A

deferred compensation plan is also made available to Messrs. Ornstein, Lotz and Gillman pursuant to the terms of their respective employment agreements. These plans are designed to provide competitive retirement benefits.

401(k)

The Company maintains a defined contribution retirement plan for all its eligible employees in the United States under Section 401(k) of the Internal Revenue Code (the “401(k) Plan”).

The 401(k) Plan offers the named executive officers and all other employees the opportunity to contribute up to 85% of their annual salary and bonus up to a specified maximum. In addition, the Company makes a matching contribution to each employee equal to 30% of an employee’s contributions, with a cap of 10% of such employee’s annual compensation. The rules of the Internal Revenue Code limit the compensation that may be used in applying any deferral election or matching contribution. In 2007, that limit was \$225,000 (the “IRS Cap”).

Perquisites

The Company provides executive officers with a limited number of perquisites that the Company and the Committee believe are reasonable and consistent with its overall compensation program, and necessary to remain competitive. The Committee periodically reviews the level of perquisites provided to the named executive officers. Costs associated with these perquisites are included under “All Other Compensation” in the Summary Compensation Table.

Retirement Benefits — Deferred Compensation

The Company offers the 2005 Mesa Air Group, Inc. Deferred Compensation Plan to provide certain members of management with the opportunity to save for retirement and accumulate wealth in a tax-efficient manner beyond what is available under the Company’s 401(k) retirement savings plan. The Compensation Committee believes that the deferred compensation plan motivates and assists in the retention of key employees by providing them with greater flexibility in structuring the timing of their compensation payments. The deferred compensation plan is an important retention and recruitment tool for the Company, as the companies with which we compete for executive talent typically provide a similar plan to their senior employees.

The employment agreement for Mr. Ornstein requires the Company to make annual deferred compensation payments to an account for the benefit of Mr. Ornstein in an amount equal to his base salary (\$450,000 in 2007) at the time of contribution. The employment agreement for Mr. Lotz requires the Company to make annual deferred compensation payments to an account for the benefit of Mr. Lotz in an amount equal to his base salary (\$400,000 in 2007) at the time of contribution into a deferred compensation account for the benefit of Mr. Lotz. Following the November 20, 2007 amendments that are described in greater detail below, the employment agreement for Mr. Gillman requires the Company to contribute \$50,000 each year into a deferred compensation account for the benefit of Mr. Gillman. All of these contributions are made on March 1st of each year. Messrs. Hoke and Ferwerda do not participate in any deferred compensation plans.

Severance and Change in Control Payments

It is our belief that the interests of shareholders will be best served if the interests of our senior management are aligned with them, and providing change of control benefits should eliminate, or at least reduce, any reluctance of senior management to pursue potential change of control transactions that may be in the best interests of shareholders. The salary multiple of the change of control benefits and use of the single trigger change of control benefits were determined after considering market data. In addition, the difference in salary multiples between executives was selected based on internal equities and demands of the job as well as the ability of the specific executive to find a similar position following a change of control. Relative to the overall value of the Company, the Compensation Committee believes these potential change of control benefits are reasonable. The cash components of any change of control benefits are paid lump-sum and are based upon a multiple of base salary plus bonus as described under the section entitled “Employment Agreements and Change of Control” with respect to each named executive officer entitled to such benefits.

Stock Ownership Guidelines

The Board has established share ownership guidelines for its members. Each non-employee member of the Board is strongly encouraged to hold shares of the Company’s common stock having an acquisition value equal to one-year’s retainer, with such ownership to be achieved within five years of joining the Board.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally prohibits a public company from taking an income tax deduction for compensation over one million dollars paid to the Chief Executive Officer and its four other highest paid executive officers unless certain conditions are met. While the anticipated tax treatment of base and incentive compensation is given some weight in making compensation decisions, the Compensation Committee has not adopted a policy of limiting awards of compensation to amounts that would be deductible under Section 162(m) because the Compensation Committee believes that awards of compensation which would not comply with the Section 162(m) requirements may at times further the long-term interests of the Company and its stockholders.

NONQUALIFIED DEFERRED COMPENSATION FOR FISCAL YEAR 2007

Under the terms of the employment agreements for certain of the Company's executive officers, on March 31st of each year the Company is required to contribute an amount equal to such executive's then existing base salary to an account for the benefit of the executive under the Company's Deferred Compensation Plan. Participants may choose from a selection of one or more investment funds designated by the Deferred Compensation Committee in which the deferred amount is then deemed to be invested. The deferred compensation and the

amount earned are generally assets, and the obligation to distribute the amounts according to the participants' designation is a general obligation of the Company. There is no penalty on any scheduled withdrawals at any age. The following table shows a summary of all nonqualified contributions to and nonqualified deferred compensation received by each of the named executive officers for the year ended September 30, 2007. EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

The Chief Executive Officer, the President and Chief Operating Officer and the Vice President and General Counsel have each entered into an employment agreement with the Company, and the Compensation Committee approved amendments to each such agreement on November 20, 2007. The former Executive Vice President and Chief Financial Officer also had entered into an employment agreement with the Company.

Chief Executive Officer Employment Agreement

Effective as of March 31, 2004, Jonathan G. Ornstein and the Company entered into an employment agreement, in which Mr. Ornstein agreed to serve as the Chief Executive Officer of the Company for a term of five (5) years ending March 30, 2009. On November 20, 2007, the Compensation Committee approved extending the term of this agreement to March 30, 2012. The material terms of this agreement are described in detail below.

Base Salary

Under Mr. Ornstein's agreement, he will receive an annual base salary of not less than \$300,000 effective March 31, 2004, which amount shall be increased by \$75,000 on the first and second anniversary dates. The base salary is subject to annual discretionary increases upon review by the Board and, subject to Mr. Ornstein's consent, may be reduced under circumstances in which the Company has suffered severe financial losses and has imposed cuts in salary of other officers on an across-the-board basis.

Cash Incentive Bonus

Mr. Ornstein is entitled to an annual cash incentive bonus, paid quarterly, based on performance criteria described above, which bonus, on an annual basis, may range from \$52,500 to \$420,000. Additionally, the Board may approve discretionary bonuses. Mr. Ornstein's agreement also provided for the payment of a retention bonus in the amount of \$1,860,000, payable on the date of his employment agreement.

Deferred Compensation

Upon execution of the agreement and on a monthly basis thereafter during the term of the agreement, the Company is obligated to contribute an amount equal to Mr. Ornstein's base salary, as deferred compensation, to an account for the benefit of Mr. Ornstein.

Equity Compensation

Mr. Ornstein's employment agreement also provided for an initial grant of stock options to purchase 150,000 shares of common stock, with the options vesting in one-third increments over a three-year period, and additional annual option grants of not less than 150,000 shares throughout the term of the agreement. The

exercise price for each option is determined by the market price for the common stock on the date the option is granted, and the terms are governed by the Key Officer Stock Option Plan. On July 14, 2006, Mr. Ornstein entered into a restricted stock agreement with the Company whereby he received 49,505 shares of restricted stock of the Company in lieu of receiving 150,000 options for the contract year beginning April 1, 2006. The amount of restricted stock was based on the net value of the 150,000 options on the date of grant and vest in one-third increments over a three-year period.

Mr. Ornstein's employment agreement also provided for an initial grant of 238,156 shares of restricted common stock, vesting in one-third increments over a three-year period beginning on March 31, 2005.

Benefits and Perquisites

Mr. Ornstein is entitled to participate in all employee benefit and welfare programs, plans and arrangements and to receive fringe benefits, such as dues and fees for professional organizations and associations, to the extent such programs, plans, arrangements and benefits are from time to time available to the Company's executive personnel. In addition, under Mr. Ornstein's employment agreement, the Company is also obligated to:

- pay the premiums on a term life insurance policy for Mr. Ornstein providing for a \$5,000,000 benefit;
- reimburse Mr. Ornstein for usual relocation expenses if he is required to relocate outside of Maricopa County in Arizona;
- reimburse Mr. Ornstein for business expenses in accordance with the Company's policies;
- pay Mr. Ornstein \$3,000 a month for discretionary business investigation purposes;
- use reasonable efforts to obtain for Mr. Ornstein and his immediate family (spouse, children and spouses and children of children) the right to fly on a complimentary basis on the aircraft of other airlines;
- provide complimentary travel to Mr. Ornstein and his immediately family on the Company aircraft, during the life of each such person;
- provide to Mr. Ornstein, for his personal or business use and at no cost to Mr. Ornstein, any Company aircraft for up to 100 flight hours per calendar year;
- reimburse Mr. Ornstein for his out-of-pocket expenses incurred in connection with the retention by Mr. Ornstein of professional income tax, estate planning and investment advisory services up to a maximum of \$10,000 in 2004 and \$5,000 per year thereafter; and
- provide security services as are reasonably necessary for the protection of Mr. Ornstein's life and property, and the lives and property of Mr. Ornstein's immediate family.

If any payments received by Mr. Ornstein under his employment agreement are treated as excess parachute payments and are subjected to the excise tax imposed by Section 4999 of the Internal Revenue Code, Mr. Ornstein is also entitled to receive "gross up" payments sufficient to cover the excise tax.

Disability and Death Benefits

The agreement provides that upon Mr. Ornstein's disability, as defined in the agreement, he will receive, on a monthly basis, his base salary, plus an annualized amount equal to his historical bonuses. The Company will make such disability payments for as long as the disability lasts, up to the later of 48 months or the term of Mr. Ornstein's agreement (currently March 30, 2012), and payments will continue to be made even if they extend beyond the term of the agreement. The Company is required to fund a portion of the payments with disability insurance.

In addition, upon Mr. Ornstein's death or disability, the Company is obligated to pay for amounts earned through the last effective date of his employment, including base salary, incentive bonus, expenses, benefits and for the benefits or perquisites enumerated above. In addition, Mr. Ornstein or his estate, as applicable, can convert all vested restricted stock units outstanding in accordance with the restricted stock award agreement and exercise all vested unexercised stock options and warrants outstanding.

Other Severance Benefits

Mr. Ornstein's employment agreement also provides him with certain benefits upon termination, which vary based on the reason of termination.

If the Company terminates Mr. Ornstein for "Cause," or if Mr. Ornstein terminates his employment for any reason other than disability, death or "Good Reason," in general, Mr. Ornstein will not be entitled to any additional severance payments beyond amounts earned through the last effective date of his employment, but all vested restricted shares can be converted (with all unvested restricted stock units continuing to vest) and all vested unexercised options and warrants outstanding can be exercised. "Cause" is defined as any of (i) Mr. Ornstein's willful misconduct with respect to the Company's business that results in a material detriment to the Company, (ii) Mr. Ornstein being convicted of, or entering a plea of no contest, with respect to a felony offense or (iii) in general, the continued failure by Mr. Ornstein to perform his job duties following notice and an opportunity to cure.

Mr. Ornstein may terminate the agreement following the occurrence of an event constituting "Good Reason." "Good Reason" is defined as the occurrence of any of the following circumstances: (i) any change by the Company in Mr. Ornstein's title, or any significant diminishment in his function, duties or responsibilities, (ii) any reduction in Mr. Ornstein's salary, bonus opportunity or benefits (other than across the board reductions), (iii) relocation of Mr. Ornstein's principal place of employment greater than 50 miles from its current location or (iv) any material uncured breach of the agreement by the Company.

If Mr. Ornstein's employment is terminated by Mr. Ornstein for "Good Reason," then, in addition to receiving payments for amounts earned but not paid through the last effective date of Mr. Ornstein's employment:

- the Company is required to pay Mr. Ornstein an amount equal to three times his combined annual salary and bonus;
- all of Mr. Ornstein's non-vested restricted stock units and options would immediately vest; and
- the Company must maintain in full force and effect, for Mr. Ornstein and his eligible beneficiaries, all general benefits for a period of 36 months, unless substantially equivalent benefits are available from another employer.

If Mr. Ornstein's employment is terminated by the Company without "Cause" or there is a "Change in Control" (known as "single trigger" payments) the following occurs:

- the Company is required to pay Mr. Ornstein an amount equal to six times his combined annual salary and bonus;
- all of Mr. Ornstein's non-vested restricted stock units and options would immediately vest; and
- the Company must maintain in full force and effect, for Mr. Ornstein and his eligible beneficiaries, all general benefits for a period of 36 months, unless substantially equivalent benefits are available from another employer.

A "Change of Control" is generally defined as (i) "person," as used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended, acquiring 30% or more of the voting power of the Company's outstanding voting securities, (ii) a change of 60% or more of the Company's Board of Directors other than by stockholder vote, (iii) consummation of a merger or other disposition transaction of the Company or (iv) the sale or disposition of any material route system operated by the Company.

In addition, the Company has agreed to enter into a consulting agreement with Mr. Ornstein, which will become effective when he leaves the Company for any reason. The consulting agreement will provide for Mr. Ornstein's retention as a consultant for a period of 7 years from its effective date at the rate of \$200,000 per year. Under the terms of the Consulting Agreement, the Company must use its reasonable efforts to obtain for the benefit of Mr. Ornstein and his immediate family (i.e., spouse, children, and the spouse and children of any of his children), the right to fly on a complimentary basis on the aircraft of other airlines, on a positive space basis. The Company is also required to provide to Mr. Ornstein and his immediate family, during the life of each such

individual, the right to fly on a complimentary basis on any aircraft operated by the Company or any affiliate at any time (subject to reasonable and customary rules regarding availability), on a positive space basis.

President and Chief Operating Officer and Chief Accounting Officer Employment Agreement

Effective as of March 31, 2004, Michael J. Lotz and the Company entered into a new employment agreement, in which Mr. Lotz agreed to serve as the President and Chief Operating Officer of the Company for a term of five (5) years ending March 30, 2009. On November 20, 2007, the Compensation Committee approved extending the term of this agreement to March 30, 2012.

The terms of Mr. Lotz's employment agreement are substantially similar to the terms of Mr. Ornstein's employment agreement, except as follows:

- Mr. Lotz's annual base salary will start at \$250,000, increasing by \$75,000 on the first and second anniversary dates;
- Mr. Lotz will be entitled to an incentive bonus that may range from \$40,000 to \$320,000 annually, and Mr. Lotz received a one-time retention bonus of \$1,485,000;
- Mr. Lotz is entitled to generally the same benefits and perquisites as Mr. Ornstein, except that the Company is only required to maintain a term life policy with a \$2,000,000 benefit for Mr. Lotz and Mr. Lotz is only entitled to 50 hours of use of Company aircraft per year;
- Mr. Lotz received an initial grant of stock options to purchase 100,000 shares of common stock (with the options vesting in one-third increments over a three-year period) and was entitled to receive additional annual option grants of 100,000 shares throughout the term of the agreement, and Mr. Lotz entered into a restricted stock agreement with the Company whereby he received 33,003 shares of restricted stock of the Company in lieu of receiving 100,000 options for the contract year beginning January 1, 2006;
- Mr. Lotz received an initial grant of 190,141 shares of restricted common stock, with the stock vesting in one-third increments over a three-year period beginning on March 31, 2005; and
- Mr. Lotz's consulting agreement provides for payments at a rate of \$150,000 per year over a seven year period and the same airline flight benefits described above for Mr. Ornstein.

Executive Vice President and General Counsel Employment Agreement

Upon his appointment as Vice President and General Counsel in 2001, Mr. Gillman and the Company entered into an employment agreement, which was replaced with a new agreement on April 30, 2005. The Compensation Committee approved amendments to Mr. Gillman's agreement on November 20, 2007.

Under Mr. Gillman's agreement, Mr. Gillman receives a minimum base salary of \$135,000, which increased to \$190,000 effective November 15, 2007. Mr. Gillman's agreement provides for cash and non-cash compensation and he is eligible to receive quarterly bonuses of varying minimum amounts ranging from 30% to 100% of his base salary. Mr. Gillman's agreement also provides for a minimum annual option grant of 20,000 shares throughout the term of the agreement, which for 2005 and thereafter was set at 30,000 shares. On July 14, 2006, Mr. Gillman entered into a restricted stock agreement with the Company whereby he received 9,901 shares of restricted stock of the Company in lieu of receiving 30,000 options for the contract year beginning April 30, 2006. The amount of restricted stock was based on the net value of the 30,000 options on the date of grant and vest in one-third increments over a three-year period.

On November 20, 2007, the Compensation Committee approved adding a provision entitling Mr. Gillman to, upon the execution of the amendment and on each March 31 thereafter during the term of the agreement, deferred compensation in the amount of \$50,000.

Mr. Gillman is also entitled to fringe benefits including, but not limited to, medical and other insurance benefits and positive space airline travel benefits on the Company's airline. The Company is also required to use commercially reasonable efforts to obtain from other airlines the same travel benefits as the Company provides to its other executives.

Upon Mr. Gillman's death, Mr. Gillman's estate will be entitled to only such base salary and bonus earned, but not yet paid, as would have otherwise been payable to Mr. Gillman. Upon Mr. Gillman's temporary disability, Mr. Gillman is entitled to receive base salary plus any cash bonus earned, less benefits received through disability insurance. Upon permanent disability, Mr. Gillman is entitled to receive, for a minimum of 24 months, base salary plus an amount equal to the minimum bonus to which Mr. Gillman would otherwise be entitled, less premiums paid by the Company for disability insurance that inures to the benefit of Mr. Gillman.

Mr. Gillman is also entitled to certain limited severance benefits. If Mr. Gillman terminates his employment other than for "Good Reason" by providing 90 days prior notice, he will be entitled to receive only the base salary payable through the end of the month in which the 90 day period ends. "Good Reason" includes (i) the assignment of Mr. Gillman to duties substantially inconsistent with his positions or a substantial reduction of his duties, (ii) the removal of any of Mr. Gillman's titles, (iii) any breach by the Company of Mr. Gillman's employment agreement, (iv) a "Change of Control" or (v) the relocation of Mr. Gillman or his office, facilities or personnel to a metropolitan area with less than 1,000,000 people. A "Change of Control" is defined as (i) a change of control that would otherwise be required to be reported to the Securities and Exchange Commission on a Current Report on Form 8-K, (ii) the acquisition by a person of beneficial ownership of securities comprising 25% or more of the voting power of the Company's outstanding securities, (iii) a sale of all or substantially all of the Company's assets, (iv) the Company adopting a plan of dissolution or liquidation or (v) the Company engaging in a merger such that less than 75% of the existing shareholders of the Company are shareholders of the Company following the merger.

Under the employment agreement, Mr. Gillman can terminate his employment at any point up to one year after an event constituting "Good Reason" and Mr. Gillman will be entitled to the sum of (i) three times his base salary, (ii) the highest annual bonus amount received by Mr. Gillman during the preceding three years, (iii) deferred compensation payments that would have otherwise been payable had employment not been terminated, (iv) any other cash or other bonus earned prior to the date of termination but not yet paid and (v) tax gross up payments necessary to discharge tax liabilities.

If the Company terminates Mr. Gillman's employment for "Good Cause," Mr. Gillman is entitled only to base salary earned prior to the effective date of the termination but not yet paid and any cash bonus compensation earned but not paid prior to the effective date of the termination. "Good Cause" includes (i) personal dishonesty, (ii) willful misconduct, (iii) breach of fiduciary duty involving personal profit, (iv) intentional failure to perform stated duties, (v) willful violation of material law, rule or regulation resulting in the Company's detriment or reflecting upon the Company's integrity or (vi) a material breach by Mr. Gillman of his employment agreement.

If the Company terminates Mr. Gillman's employment without "Good Cause," Mr. Gillman is entitled to a lump sum cash payment equal to the sum of (i) the base salary and (ii) the highest annual bonus received by Mr. Gillman during the preceding three years, or the minimum amount of any similar bonus then in effect if greater, plus any other cash or other bonus compensation earned prior to the date of such termination pursuant to the terms of all incentive compensation plans then in effect and additional payments necessary to discharge tax liabilities.

Former Executive Vice President and Chief Financial Officer Employment Agreement

Effective December 31, 2005 the Company entered into a new employment agreement with its former Chief Financial Officer, George Murnane III. Under the terms of the employment agreement, Mr. Murnane agreed to serve as Executive Vice President and Chief Financial Officer of the Company for a term of five (5) years ending December 30, 2010. Mr. Murnane was terminated for cause on November 5, 2007. As a result of this "for cause" termination, Mr. Murnane is not entitled to any severance compensation.

Ornstein, Lotz and Gillman upon the occurrence of certain termination triggering events assuming a hypothetical effective date of termination of September 30, 2007 and after giving effect to the amendments to their respective employment agreements that were approved by the Compensation Committee on November 20, 2007: For purposes of the calculations below, we have used a share value of \$4.44 per share, which was the closing price of our common stock on September 28, 2007. In addition, the Company is required to provide complimentary travel to each of Messrs. Ornstein and Lotz and their immediate family on Company aircraft, during the life of each such person. Under the SEC's regulations, we are required to disclose a reasonable estimate applicable to this benefit. Accordingly, we have used the value of the travel benefits for such executives in fiscal 2007 (\$18,858 and \$8,890 for Messrs Ornstein and Lotz, respectively), increased such amounts by 100% and multiplied that figure by 15 years to arrive at the figure in the above table.

DIRECTOR COMPENSATION

Fees

The following fees were paid to Directors who were not employees of the Company during fiscal 2007. Directors who are full-time employees of the Company receive no additional compensation for serving as directors. Board members also are reimbursed for all expenses associated with attending Board or Committee meetings.

Annual Retainer	\$15,000
Fee for each Board meeting	\$ 1,000
Fee for each telephonic Board meeting	\$ 500
Fee for each Committee meeting	\$ 1,000
Lead Director Retainer	\$10,000
Compensation Committee Chairman Retainer	\$10,000
Audit Committee Chairman Retainer	\$20,000

Additionally, members of the Compensation and the Nominating/Corporate Governance Committee receive \$750 for each in-person meeting and the Chairman of the Nominating/Corporate Governance Committee receives an annual retainer of \$10,000 per year.

Incentive Plan

The Board of Directors adopted an amended and restated Director Incentive Plan on December 15, 2006, which Director Incentive Plan was ratified by the Company's stockholders on February 6, 2007.

Under the amended and restated Director Incentive Plan, each non-employee director receives a standard grant of restricted common stock comprised of a number of shares of restricted stock as determined by the Compensation Committee of the Board of Directors. Each non-employee director will receive the standard grant of restricted common stock on March 1st of each year. Upon being appointed a non-employee director after March 1st, such director is granted a pro-rata portion of the standard grant of restricted common stock and receives a standard grant of restricted common stock pursuant to the plan on March 1st of each succeeding year. The amount of pro-rata options granted to each new non-employee director is calculated by dividing the number of days prior to March 1 by the number of days in the calendar year and multiplying the quotient by the standard restricted stock award as was determined by the Compensation Committee for the relevant year.

Other Benefits

Each non-employee director, and certain family members of such director, receives free travel on Mesa Airlines and free or reduced-fare travel on certain other partner air carriers at no cost to the Company or the director. The Company believes that the directors' use of free air travel is "de minimis" and did not maintain any records of non-employee directors' travel during fiscal 2007.

A summary of compensation paid to our non-employee directors in fiscal 2007 is as follows:
